MEMORANDUM FOR THE RECORD

SUBJECT: New Building Appropriation Hearing - Congressman Broyhill.

On 29 May 1956 I telephoned Congressman Joel T. Broyhill, (R., Va.) and advised him that we were appearing before Mr. Mahon's Subcommittee at 10:00 a.m. on Friday, 1 June, in defense of our request for an additional appropriation for our new building. I stated that it was my understanding that Mr. Lankford from Maryland had requested permission to appear in opposition to the Langley site. Mr. Broyhill said that he would be glad to appear if we wanted him to and would tell him what we would like him to say. I told him that I did not care to make such a request at this time. In further discussion we agreed that if something should arise during the Hearing concerning which we thought it would be appropriate for him to comment I could get in touch with him and he could make a request to appear. He added that if something should come out in the Hearing which would be appropriate for him to comment on later he would be very glad to do this orally or in writing.
